Exhibit Space Assignment and Allocations

It is understood that Exhibition Management reserves the right, in the interests of optimum traffic control and exposure, to relocate those exhibits which may be affected by a change in the floor plan. Such change would not be made unless deemed absolutely necessary. Exhibition Management also agrees to advise exhibitors and service contractors if such change is necessary. Exhibition Management’s determination with respect to assignment of exhibit space is to be binding on all parties.

Exhibitors must employ union labor where required. Union labor, if required, will be made available.

Exhibition Management shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes not reasonably within the control of Exhibition (or any part thereof) as aforesaid, then Exhibition Management shall not be liable to the exhibitor other than for a prorated refund of such exhibitor’s space price payment determined on the basis of the number of exhibit days remaining. For purposes hereof, the phrase “cause or causes not reasonably within the control of Exhibition Management” shall include, but not by way of limitation, fire casualty, flood, epidemic, earthquake, explosion or accident, sabotage, blockade, embargo, inclement weather, government restraints, restraints or orders of civil defense or military authorities, act of public enemy, acts of civil disturbance, strike, lockout, boycott or other labor disturbances, inability to secure sufficient labor, technical, or other personnel failure, impairment or lack of adequate transportation facilities, inability to obtain, or condemnation, requisition or commandeering of necessary supplies or equipment, local, state, Federal law, ordinances, rule, order, decree or regulation, whether legislative, executive or judicial, and whether constitutional or unconstitutional, or Act of God.

Exhibition Management reserves the right to reject, eject or prohibit any exhibit in whole or in part, or any exhibitor or his representatives, with or without giving cause. If cause is not given, liability shall not exceed the return to the exhibitor of the amount of the exhibit space price unearned based on the number of days of the exhibit remaining at the time of rejection. If an exhibit or exhibitor is ejected for violation of these rules and regulations or for any other stated reason, no return of exhibit space shall be made.

Insurance

Exhibitors are advised to see that their regular company insurance includes extra-territorial coverage, that they have their own theft, public liability and property damage insurance. Exhibition Management and all organizations and individuals who are employed by or associated with it in connection with the Exhibition will not be responsible for injury or damage that may occur to an exhibitor or his employee or agents nor to the safety of any exhibit or other property against robbery, fire, accident, or any other destructive causes.
