

The ECTC logo is a white, bold, sans-serif font 'ECTC' set against a dark, diamond-shaped background. This diamond is part of a larger graphic of a glowing blue circuit board with various components and traces, set against a dark blue background with some orange light spots.

The 2023 IEEE 73rd Electronic Components and Technology Conference

May 30 – June 2, 2023

2023 Exhibitor Guide

A photograph of the JW Marriott Orlando Grande Lakes hotel at dusk. The building is a large, multi-story structure with many windows illuminated from within. In the foreground, there is a well-maintained lawn with several palm trees and other tropical plants. The sky is a deep blue, and the overall scene is lit with a mix of natural twilight and artificial lights from the hotel and landscaping.

JW Marriott Orlando Grande Lakes
Orlando, Florida, USA

EXHIBIT BOOTH PACKAGE

- Booths are 10' wide x 8' deep
- 8' high backwall & 3' high sidewall drapes
- One 120-volt outlet
- 7" x 44" company identification sign
- Fully carpeted exhibit hall
- One full complimentary conference registration
- ECTC Proceedings included (via download link)
- Listing on the conference website exhibits page
- Listing in ECTC Advance Program if signed up by January 13, 2023
- Tables, furniture, etc. provided at additional cost from GES Exposition Services
- Exhibitor Manual provided ahead of conference with comprehensive summary of contacts and info
- Up to 5 complimentary booth attendant registrations (does not include full conference access or amenities)

EXHIBIT BOOTH RATES

Booth Colors (refer to Exhibit Space map)

 Green	\$4,400	 Purple	\$4,000
 Cyan	\$3,600	 Yellow	\$3,200

EXHIBIT SPACE ASSIGNMENT AND PAYMENT

Applications for ECTC 2023 exhibit booths can be made online using the yellow button below. ECTC exhibit booth allocation is based on consecutive years of exhibit participation and/or GOLD or PLATINUM Sponsorship. Once booth assignments have been made, ECTC will issue invoices to exhibitors. The 50% deposit is due upon receipt of invoice. The remaining balance of exhibit fees is due no later than February 4, 2023. Exhibition Management reserves the right to relocate the booth assignment or cancel the contract if the exhibit booth fee is not paid in full by March 4, 2023.

 [Click Here to Submit Your 2023 Application](#)

CANCELLATION OF SPACE

It is agreed that should the exhibitor wish to cancel their exhibit reservation prior to December 31 of the year prior to the conference, Exhibition Management shall have the right to retain \$100 as a cancellation fee from the amount paid by the exhibitor (and due from them) up to the time of cancellation, pursuant to the Exhibit Space Assignment and Payment information section of the application. Any cancellations on or after January 1 of the conference year shall be subject to a cancellation fee of 50% of the full exhibit booth cost for that year. ECTC is unable to carry over any exhibit payments to subsequent years and will return any payments made, less cancellation fees as described above, in the event of cancellation.

IMPORTANT DATES TO NOTE

Minimum 50% Deposit Due Upon Receipt of Invoice

Dec 31: Initial Cancellation Deadline (\$100 cancellation fee)

After Jan 1: Cancellations Subject to 50% Cancellation Fee

Jan 14: Deadline to Reserve for Inclusion in ECTC Advance Program

Feb 4: Full Payment of Exhibit Fees Due

INSTALLATION & DISMANTLING

Installation: Tuesday, May 30, 1:00 - 5:00 PM

Dismantling: Thursday, June 1, 4:00 - 7:00 PM

EXHIBIT HOURS

Wednesday, May 31: 9:00 AM - Noon & 1:30 - 6:30 PM

Thursday, June 1: 9:00 AM - Noon & 1:30 - 4:00 PM

ECTC SCHEDULE OF EVENTS

Tuesday, May 30

- Professional Development Courses and Special Sessions

Wednesday, May 31

- Technical Sessions
- ECTC Luncheon
- Interactive Sessions
- Technology Corner Exhibits
- Reception in Exhibit Hall

Thursday, June 1

- Technical Sessions
- Technology Corner Exhibits
- EPS Luncheon
- Interactive Presentation Sessions
- ECTC Gala Reception

Friday, June 2

- Technical Sessions
- Student Interactive Presentation Session
- Program Chair Luncheon

TERMS AND CONDITIONS

Organized and Managed by
Electronic Components & Technology Conference
IEEE/EPSC, 445 Hoes Lane, Piscataway, NJ 08854

Exhibit Space Assignment and Allocations

It is understood that the Electronic Components and Technology Conference (the "Exhibition Management") reserves the right, in the interests of optimum traffic control and exhibit exposure, to relocate those exhibits which may be affected by a change in the floor plan. Such change would not be made unless deemed absolutely necessary. Exhibition Management also agrees to advise exhibitors and service contractors if such change is necessary. Exhibition Management's determination with respect to assignment of exhibit space is to be binding on all parties.

Allocations and Cost

The cost of individual exhibits is indicated in this information document, the exhibit application, and will be reflected on the invoice provided to the exhibitor. Exhibition Management will assign exhibits according to seniority and sponsorship status, date application was received, and to applicant's sequence of choices in the event applicant's choice of exhibit spaces is not available. Exhibit management will assign other space, with the understanding that applicant may accept or refuse in writing this assignment immediately afterward. If desired, the applicant may provide Exhibition Management with a list of competitors whose assignments should not be near that of the applicant. Exhibition Management will observe such requests, within the bounds of reason.

Exhibitors

Exhibits will be limited to those companies or other entities offering materials, products, or services of specific interest to registrants. Exhibition Management reserves the right to determine the eligibility of any product for display. Exhibiting manufacturer's representatives and/or distributors must list their participating principals as the exhibitors of record. Representatives of more than two principals per single booth (8' x 10') is expressly prohibited.

Admission

Exhibits will be open free of charge to all exhibitors and conference registrants. For others, a nominal registration fee may be charged at the discretion of Exhibit Management and/or Conference Management. Registration will be limited to those with a demonstrable specific interest in the main subject matter of the Exhibition. Exhibition Management reserves the right to refuse admission to any person(s) including children or exhibitors and visitors, in the interest of the safety and welfare of those persons and the exhibitors.

Personnel and Attire

Exhibition Management reserves the right to determine whether the character and/or attire of booth personnel is acceptable and in keeping with the best interests of exhibitors and the exhibition.

Employment Exhibits

Exhibits for the purpose of soliciting prospective employees, or employee-recruiting activity of any kind, are specifically prohibited.

Exhibits and Appliances

Common sense governs the kind of exhibits permitted at the Exhibition. Attractive, informative, and attention-getting exhibitions are encouraged. Exhibition dimensions shall generally conform to exhibit practices of the county in which the Exhibition is held, and specific dimensions and restrictions shall be specified in the Official Exhibitors Kit supplied by Exhibition Management. In no event, however, shall any exhibit interfere with any neighboring exhibit, in the judgment of Exhibition Management.

Labor

Exhibitors must employ union labor where required. Union labor, if required, will be made available.

Sound Level and Odors

Mechanical or electrical devices which produce sound and/or objectionable odors must be operated so as not to disturb other exhibitors. Exhibition Management reserves the right to determine the acceptable sound level and odors in all such instances.

Electrical and Decoration Services

Electrical wiring and decorator services are available only through the Official Electrician (as designated by Exhibition Management) and the Official Decorator (as designated by Exhibition Management). Further information will be issued prior to the exhibition and may vary from year to year at each venue.

Electrical Fittings and Electricity Supply

Lighting, lighting mains, power plugs, power mains, and motors are available at charges listed in the Exhibitor Manual provided prior to the Exhibition. The exhibitor may provide his own electrical fittings, and they shall be installed by the Official Contractors (as designated by Exhibition Management) at reasonable charges, an estimate of which shall be given to the exhibitor beforehand.

Photography

The photographic rights for the Exhibition are reserved to Exhibition Management, and photography in the Exhibition required by exhibitors can be filmed out at moderate charges by the Official Photographers (as designated by Exhibition Management) if desired. Exhibitors wishing to make their own arrangements for the photographing of their exhibit must apply to the Exhibition Management, whose permission shall not be unreasonably withheld.

Exhibit Cleaning

Exhibitors must make arrangements for their exhibit to be kept clean and free from accumulated rubbish, to the satisfaction of Exhibition Management. All materials for disposal of waste must be deposited in the gangway for clearance before the Exhibition opens.

Advertising Matter

The Exhibitor may, at his discretion, distribute hand bills or other printed advertising matter from his exhibit. In the event of any complaint resulting from such distribution, the matter shall be referred to Exhibition Management for disposition.

Cancellations

It is agreed that should the exhibitor wish to cancel their exhibit reservation prior to December 31 of the year prior to the conference, Exhibition Management shall have the right to retain \$100 as a cancellation fee from the amount paid by the exhibitor (and due from them) up to the time of cancellation, pursuant to the Exhibit Space Assignment and Payment information section of the application. Any cancellations on or after January 1 of the conference year shall be subject to a cancellation fee of 50% of the full exhibit booth cost for that year.

Exhibition Service Contractor

ECTC has partnered with GES (the "Official Exhibition Service Contractor") to provide all Exhibitors with their shipping, decorating, and comprehensive booth needs. Service forms for ordering furniture, decorations, labor, and so forth will be provided by Exhibition Management in a Exhibition Manual provided prior to the Exhibition each year. It is the responsibility of the Exhibitor to read the service forms carefully, to abide by the regulations and deadlines contained therein, and to make arrangements for services provided by GES in a timely manner.

Exhibition Management Responsibility

Exhibition Management agrees to render reasonable assistance to exhibitors, to keep them informed, to present a technically competent program of events, and to promote attendance of the Exhibition through accepted means of advertising, public relations, publicity, and direct-mail, etc.

Liability and Insurance

1. Security:

The Exhibition Management will provide guard service on an around-the-clock basis from the beginning of installation through the conclusion of dismantling, but the furnishing of such service shall not be construed as an assumption of obligation or duty with respect to the protection of exhibitors' property, which shall at all times remain in the sole possession and custody of each exhibitor.

2. Responsibility of the Exhibition Management, the Official Exhibition Service Contractor, and the Hotel:

The Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend, and hold harmless Exhibition Management, the Official Exhibition Services Contractor and the JW Marriott Grande Lakes (the "Hotel"), and each of their respective owners, managers, subsidiaries, affiliates, employees, and agents against all claims, losses, or damages to persons or property, governmental charges or fines and attorneys' fees arising out of or caused by the exhibitor's installation, removal, maintenance, occupancy, or use of the exhibition premises or part thereof, excluding any such liability caused by the gross negligence of the Exhibition Management, the Official Exhibition Service Contractor and the Hotel, or by acts of God, or by other events beyond the control of the Exhibition Management.

In addition, the client acknowledges that Exhibition Management, the Official Exhibition Service Contractor, and the Hotel do not maintain insurance covering the client's property and that it is the sole responsibility of the client to obtain business interruption and property damage insurance covering such losses by the client. A copy of the client certificate of insurance confirming a minimum coverage of \$1,000,000 aggregate and naming the Institute of Electrical and Electronics Engineers, Incorporated (IEEE) as an additional insured on insurance certificate may be required.

The Exhibition Management shall obtain and keep in force during the term of the installation and use of the exhibit premises policies of Comprehensive General Liability Insurance and Contractual Liability Insurance insuring and specifically referring to contractual liability set forth in the foregoing paragraph hereof, in an amount not less than \$1,000,000 Combined Single Limit for personal injury and property damage.

Electrical Safety

All wiring on displays or display fixtures must conform to the minimum standards established by various governmental agencies and standard fire inspection ordinances. All display wiring must exhibit the seal and or such other seals of official approving agencies as may be required at the site of the exhibition.

Safety and Fire Laws

All applicable fire and safety laws of the venue must be strictly observed by exhibitors. Cloth decorations must be flameproof. Wiring must comply with local Fire Department and Underwriters' Rules. Smoking in exhibits is forbidden. Crowding will be restricted. Aisles and fire exits may not be blocked by exhibits. No decorations of paper, pine boughs, leafy decorations or tree branches are allowed. Acetate and most rayon drapes are not flameproof, and may be prohibited. No storage behind exhibits is provided or permitted.

Losses

Exhibition Management cannot take responsibility for damage to exhibitor's property, or lost shipments either coming in or going out, nor for moving costs. Damage to inadequately packed property is exhibitor's own responsibility. If exhibit fails to arrive, exhibitor is nevertheless responsible for exhibit space rental. Exhibitors are advised to insure against these risks.

Termination and Force Majeure

In the event that the premises in which the Exhibition is or is to be conducted shall become, in the sole discretion of Exhibition Management, unfit for occupancy, or in the event the holding of the Exhibition or the performance of Exhibition Management under the application (of which these Rules and Regulations are a part) are substantially or materially interfered with by virtue of any cause or causes not reasonably within the control of Exhibition Management, said Application and/or the Exhibition or any part thereof, may be terminated by Exhibition Management. Exhibition Management shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause of causes not reasonably within the control of Exhibition (or any part thereof) as aforesaid, then Exhibition Management shall not be liable to the exhibitor other than for a prorated refund of such exhibitor's space price payment determined on the basis of the number of exhibit days remaining. For purposes hereof, the phrase "cause or causes not reasonably within the control of Exhibition Management" shall include, but not by way of limitation, fire, casualty, flood, epidemic, earthquake, explosion or accident, blockade, embargo, inclement weather, government restraints, restraints or orders of civil defense or military authorities, act of public enemy, not of civil disturbance, strike, lockout, boycott or other labor disturbance, inability to secure sufficient labor, technical, or other personnel failure, impairment or lack of adequate transportation facilities, inability to obtain, or condemnation, requisition or commandeering of necessary supplies or equipment, local, state, Federal law, ordinances, rules, order, decree or regulation, whether legislative, executive or judicial, and whether constitutional or unconstitutional, or Act of God.

Rejected Displays

The exhibitor agrees that his exhibit shall be admitted herein and shall remain from day to day solely in strict compliance with the rules and regulations herein laid out. Exhibition Management reserves the right to reject, eject, or prohibit any exhibit in whole or in part, or any exhibitor or his representatives, with or without giving cause. If cause is not given, liability shall not exceed the return to the exhibitor of the amount of the exhibit space price unearned based on the number of days of the exhibit remaining at the time of ejection. If an exhibit or exhibitor is ejected for violation of these rules and regulations or for any other stated reason, no return of exhibit space shall be made.

Right of Possession

During the term of this agreement and so long as the property of the contracted exhibitor is on the premises of the exhibition site, or its vicinity, the Electronic Components and Technology Conference shall have the right of possession to all goods, wares and merchandise on exhibition. Such right to possession shall be superior to that of any person other than the contracted exhibitor.

Sub-Leasing

Exhibitors may not permit other manufacturers to use their space, or any part thereof, without express written permission of Exhibition Management.

The logo for the Electronic Components and Technology Conference (ECTC) is a dark grey diamond shape with the letters 'ECTC' in white, bold, sans-serif font. The diamond is set against a background of glowing blue and orange circuit board traces and components.
